Don't actually oppose the site but it needs to be split over 2 sites which is what the majority of villagers want. Hopefully this site will be in addition to site at Embleton Farm which is preferred but not by NP as committee members live adjacent to this site. Selection process needed to be open and transparent sadly this wasn't the case.

It shouldn't be up to NP to look at the green spaces. Sadly they have done this without the courtesy of consulting with landowners.
