Q39

Do you have any comments or observations on the Neighbourhood Plan that you would like to make?

I moved into the village 2 years ago from a smaller village - I live in North End oldest part of the original village as it is a village within a village it is in the conservation area and is beautiful and I hope the village plan will ensure it stays true to its original status and any more new developments or renovation projects are kept to a minimum here or in the order parts of the village are in keeping with this status and modern new builds/extentions are of significant design and architectural interest & a complement /benefit the existing buildings and not allowed to infringe on the original green verges and hedging / trees /woodland are not allowed to be removed without planning permission esp in the conservation areas of the village which currently seems to being allowed and therefore ruin the landscape /disrupt the wildlife and ambiance of the area. Hutton Rudby us a village not a town and should remain so it should not be swallowed by corporate large developments and become another suburb of Yarm which us sadly what is happening to many villages around Yarm , which now has completely spoilt everything so Yarm esp the traffic- please dont let this happen to Hutton Rudby
